

Home page:

The screenshot shows the Gulf Air website home page with several UI elements annotated with boxes and arrows:

- Image Rollover:** A box labeled "Image Rollover" points to the Gulf Air logo, which includes the Arabic text "طيران الخليج" and "GULF AIR" next to a golden falcon icon.
- Radio Group:** A box labeled "Radio Group" points to the "Book and Buy:" section, which contains two radio buttons: "Round Trip" (selected) and "One way".
- Text Field:** A box labeled "Text Field" points to the "From:" field, which contains the text "Bahrain".
- List includes:** A box labeled "List includes:" points to the "Search for:" dropdown menu, which is set to "Best Fare Available". Below this, a list of search results is shown, including "\*Best fare available" and "\*Business Falcon Gold".
- Each List includes five Items ( 1, 2, 3, 4, 5):** A box labeled "Each List includes five Items ( 1, 2, 3, 4, 5)" points to the passenger selection section, which shows "Adults (+12)" with a dropdown set to "4", "Children (2-12)" with a dropdown set to "2", and "Infants (0-23 Months)" with a dropdown set to "3".
- Buttons:** A box labeled "Buttons" points to the "Submit" and "Reset" buttons at the bottom of the form.

Thank you page:

The screenshot shows the Gulf Air website thank you page. It features a banner image of the Saudi Arabian skyline with the text "Saudi Arabia. By Gulf Air". Below the image is the Gulf Air logo. The main text on the page reads: "All tickets information will be sent to your email. Thank you for fighting with us..".
